

# GDC Series

## Glass Door Merchandisers

The GDC Series of merchandising refrigerators and freezers provides unlimited merchandising opportunities that boost impulse sales. Self closing, anti-fogging glass doors and high density polyurethane insulation are just a few of the features that make the GDC Series the best value on the market.

- Foamed-in-place high density polyurethane cell insulation
- ETL safety & sanitation approved
- Anti-fogging, self-closing glass doors

### Features

- Self closing door
- 4 plastic coated steel shelves included
- Foamed in place polyurethane insulation
- Removable door gasket for easy cleaning
- Automatic defrosting
- Available in black or white
- ETL Sanitation Listed

### Technical Data

#### Dimensions

|                                  |                     |
|----------------------------------|---------------------|
| Exterior Dimensions (W x D x H)  | 21.5" x 21.5" x 63" |
| Interior Dimensions (W x D x H)  | 19" x 18.25" x 46"  |
| Net Volume (cu. ft.)             | 10 cu. ft.          |
| Net Weight                       | 203 lbs.            |
| Packaging Dimensions (W x D x H) | 25" x 25" x 69"     |
| Electrical Cord Length           | 84"                 |

#### Cooling

|                                    |            |
|------------------------------------|------------|
| Temperature Range                  | 32° - 50°  |
| Refrigerant                        | R134A      |
| Maximum Ambient Temperature Rating | 90°        |
| Defrosting                         | Automatic  |
| Temperature Display                | No         |
| Temperature Controller             | Mechanical |
| H/P                                | 1/5        |

#### Construction

|                     |                              |
|---------------------|------------------------------|
| Housing Material    | Painted Steel                |
| Door/Lid Material   | Glass door                   |
| Insulation Material | Foamed in place polyurethane |
| Shelf Material      | Plastic Coated Steel         |
| Shelf Load Capacity | 90 lbs                       |

#### Electrical

|         |      |
|---------|------|
| Voltage | 120V |
| Amps    | 4.6  |
| Hz      | 60HZ |

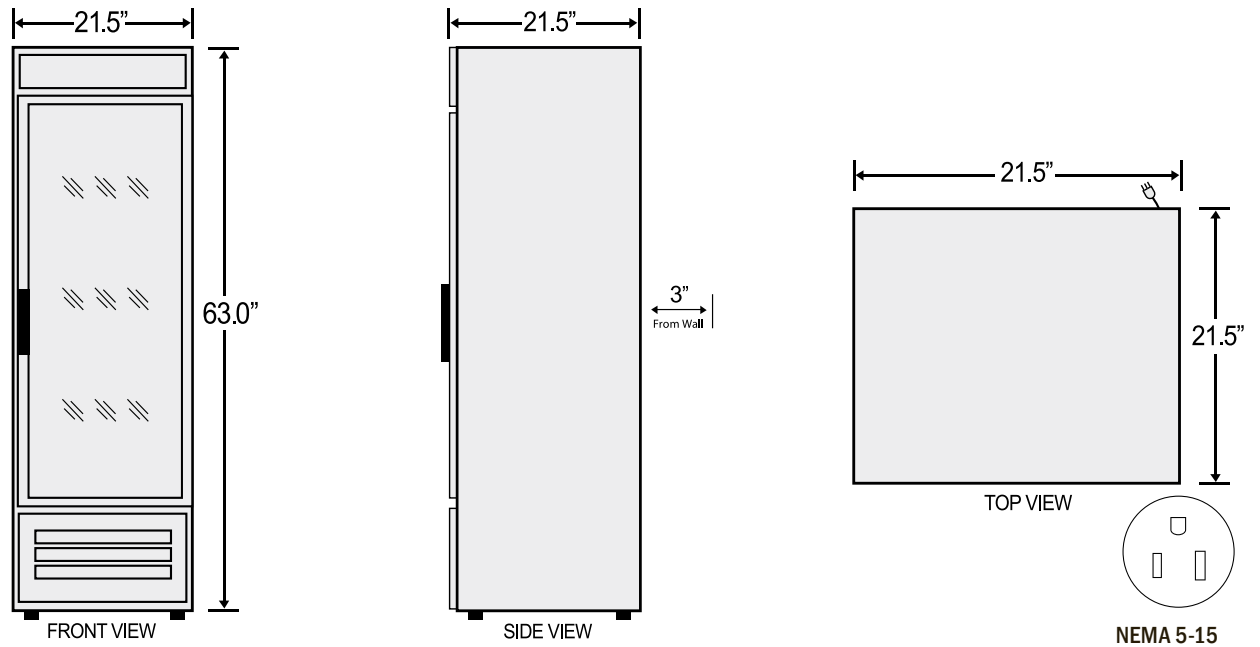

This Avantco GDC10 one door glass door merchandiser is the perfect way to increase impulse sales at your convenience store, market, or deli. The Avantco GDC10 merchandiser's clear glass door draws attention to tempting grab and go items like canned or bottled drinks, pre-wrapped sandwiches, or take out items like pre-packaged salads. It has a temperature range of 32 to 50 degrees Fahrenheit.

Four plastic coated shelves are included. Adjustable mounting brackets give you complete control over the merchandiser's shelving configuration, to accommodate a variety of different sized products.

The Avantco merchandiser's bottom mounted, 1/5 hp compressor uses R134a refrigerant. Foamed in place polyurethane cell insulation helps maintain interior temperatures. A top mounted cooling fan circulates air quickly throughout the merchandiser, regulating the internal temperature even when the refrigerator's self closing door is opened.

The Avantco GDC10 single door glass door merchandising refrigerator has a 120V, 4.6 amp, 60 Hz. electrical rating, and is ETL Sanitation Listed and NSF Compliant.

## Plan View

**Parts & Labor**

**Compressor**

All Avantco Refrigerators and Freezers are backed by a 5 year warranty on the compressor, and a 1 year parts and labor warranty.
