

Features

- 304 series stainless steel interior
- 430 series stainless steel exterior
- 3/4" thick cutting board
- Recessed handles
- 2 plastic coated steel shelves included
- Foamed in place polyurethane insulation
- Removable door gasket for easy cleaning
- Self closing doors
- Automatic defrosting
- 4 casters (two locking)
- ETL Sanitation Listed

Technical Data

Dimensions

Exterior Dimensions (W x D x H)	72" x 31.5" x 43"
Interior Dimensions (W x D x H)	42.5" x 22.75" x 23.5"
Cutting Board Dimensions (W x D x H)	70.75" x 13.75" x .75"
Net Volume (cu. ft.)	17 cu. ft.
Net Weight	341 lbs
Packaging Dimensions (W x D x H)	75" x 36" x 46"

Cooling

Temperature Range	32° - 50° F
Refrigerant	R134a
Maximum Ambient Temperature Rating	100.4° F
Defrosting	Automatic
Temperature Display	No
Temperature Controller	Mechanical
H/P	1/3

Construction

Exterior Material	430 series stainless steel
Interior Material	304 series stainless steel
Insulation Material	Foamed in place polyurethane
Shelf Material	Plastic coated steel
Shelf Load Capacity	132.25 lbs

Electrical

Voltage	120
Amps	8.2
Hz	60
Phase	1

This 72" refrigerated pizza prep table features an extra-wide work area, and a cold topping holding area that can hold up to nine, 1/3 size food pans up to 6" deep, or various combinations of full and fractional sized pans.

A hinged cover lets you keep your sauces and toppings cold during off-peak hours. Built in casters, two of which are locking, allow you to move the pizza refrigerator for easy cleaning and service.

The 72" pizza prep table also features a refrigerator with two self closing doors, for storing additional toppings. Two plastic coated steel shelves are included. Adjustable mounting brackets give you complete control over the refrigerator's shelving configuration, to accommodate a variety of prepared toppings, garnishes, or condiments.

The 72" refrigerated pizza prep table's 1/3 hp compressor uses R134a refrigerant. Foamed in place CFC-free insulation helps maintain interior temperatures between 32° and 50° Fahrenheit. An interior fan regulates the refrigerator's temperature and directs cool air upward, to help keep your toppings at food safe holding temperatures.

With its durable, 430 series stainless steel exterior and 304 series stainless steel interior, the 72" refrigerated pizza prep table is strong enough to stand up to the daily demands of your busy restaurant kitchen. The pizza prep table has a 120V, 8.2 amp, 60 Hz. electrical rating, and is ETL Sanitation Listed and NSF Compliant.
