With its durable, 430 series stainless steel exterior and 304 series stainless steel interior, the Avantco SCLM3 70" mega sandwich / salad prep refrigerator is strong enough to stand up to the daily demands of your busy restaurant kitchen.

This over-sized, 70" mega sandwich / salad refrigerator features a stainless steel, slide rail work area and a cold topping holding area that can hold up to twenty seven, 1/6 size food pans up to 6" deep, or various combinations of full and fractional sized pans.

An insulated, hinged cover helps keep your condiments, meats, and vegetables cold during off-peak hours. Built in casters, two of which are locking, allow you to move the sandwich / salad refrigerator for easy cleaning and servicing.

Store additional toppings for quick access in the sandwich / salad preparation refrigerator's lower section. The lower refrigerator has three self closing doors and three plastic coated wire shelves. Adjustable mounting brackets give you complete control over the refrigerator's shelving configuration, to accommodate a variety of prepared toppings, garnishes, dressings, and condiments.

The Avantco SCLM3 refrigerator's 1/2 hp compressor uses R134a refrigerant. Foamed in place CFC-free insulation helps maintain interior temperatures between 32 and 50 degrees Fahrenheit. An interior fan regulates the refrigerator's temperature and directs cool air upward, to help keep your toppings at food safe holding temperatures.

The Avantco SCLM3 mega sandwich / salad prep refrigerator has a 120V, 9.2 amp, 60 Hz. electrical rating, and is ETL Sanitation Listed and NSF Compliant.
