# 178UBB2448- 48” Narrow Solid Door Back Bar Cooler, Black

This Avantco UBB-24-48 solid door back bar refrigerator is the space-saving solution for storing beer, soda, and drink mixers at your bar, club, or restaurant! This 2-door unit maximizes capacity in a narrow, 24” deep footprint that can still hold up to (2) kegs, (546) 12 oz. cans, or (336) 12 oz. bottles. (4) adjustable shelves and LED lighting also allow for easy storage and product visibility on your busiest bar nights.

For great looks and superior durability, this unit also features a wear-resistant black coating on the exterior, and a 304 stainless steel interior that resists corrosion and spills. For additional versatility, its 304 stainless steel top can either fit under existing cabinetry or be used as a countertop.

## Product Features

- Holds up to (546) 12 oz. cans, (336) 12 oz. bottles or (2) ½ barrel kegs
- LED lighting to enhance product visibility
- Narrow 24” depth is ideal for limited space
- (4) Adjustable plastic coated wire shelves included
- (2) Swinging doors with locks
- Attractive black coated steel exterior
- 1 ½” thick 304 series stainless steel top
- ⅓ HP compressor uses R-134a refrigerant

## Warranty Information

This item is backed by a 1 year parts and labor warranty with 5 year warranty on the compressor, unless otherwise stated. For warranty inquiries or service, first locate the model number (located on the front of the unit, or inside the door jamb) and the bold number on the service plate (located on the front of the unit). Next, call 1-800-678-5517. You must have the model number and service plate number when contacting service technicians.

1 year WARRANTY
**Parts & Labor**

5 year WARRANTY
**Compressor**

**Failure to contact Avantco Refrigeration prior to obtaining equipment service may void your warranty.**

Avantco Refrigeration will not warrant coverage for component failure or other damages that arise under the following conditions:

- -Failure to install and/or use unit within proper operating conditions specified by Avantco Refrigeration
- -Failure to properly maintain the unit. This includes, but is not limited to, basic preventative maintenance such as cleaning the condenser coil.
- -Installation in a non-commercial or residential application
- -Products sold or used outside of the United States

Additionally, no claims can be made against this warranty for spoilage of product, loss of sales or profits, or any other consequential damages.
Normal wear type parts, such as light bulbs and gaskets, are not included in warranty coverage.
